[1] It is the responsibility of the installing contractor to review the dimensional drawings for the new Daikin Series equipment (see below) and confirm that it is an exact fit for the existing unit curb. Daikin is not responsible for providing additional materials and/or curb adaptors UNLESS otherwise quoted.

3-6 Ton Roof Curb Footprint

7.5-12.5 Ton Roof Curb Footprint

Our continuing commitment to quality products may mean a change in specifications without notice.
